

# F-67 FRYER

F-67 FRYER

F-67

Wells Fryer F-67 is one of the most durable and easy-to-use fryers in the industry. Swing-up elements allow the frypots to be removed for cleaning without difficulty. The low watt density heating element provides for extended oil life. Fry two different products at the same time using the two separate frypots.

## Specifications

Overall Dimensions:	Inches	MM
Width	24 13/16	630
Depth	23 9/16	598
Height (incl. 4" legs)	16 3/8	416

Installed	57	26
Shipping	68	31

## Features

- **Two full-size, rear-hanging, interchangeable fry baskets** are included with every fryer and allow for product versatility.
- **Swing-up elements**, located below the baskets, are heavy-duty stainless steel with a low watt density for longer oil life.
- **Element control housing** has a spring-loaded support rod to secure elements when in a raised position.
- **Two deep-drawn, removable containers** are made of nickel-plated steel and can hold up to fifteen pounds of oil per frypot.
- **A manual reset safety thermostat** will shut off the unit heating element power if an over-temperature condition is reached. A red signal light will indicate the over-temperature condition.
- **The F-67 Fryer** is Underwriters Laboratories, Inc. LISTED and meets the National Sanitation Foundation and Canadian standards.
- **A one-year warranty** against defects covers parts and labor

## Accessories / Options

- Basket, half-size (2 per fry pot), 20161
- Basket, full size (1 per fry pot), 20162
- Crumb Cradle, 20690
- Fry Pot Cover, 21010
- Legs, set of four, metal, 4" adjustable, 20563
